

Kudos to TAG Students!!

Congrats to Townview Choir!

Congratulations to the Townview Choir. They earned a 6A Varsity UIL Sweepstakes at regional competition in April--the highest award in the most challenging event. In June they will be traveling to New York City to perform at the Cathedral of Saint John the Divine, participate in Broadway workshops, and meet with the directors of the Metropolitan Opera.

TAG Places Third in the Nation in Annual PhysicsBowl!

In this year's American Association of Physics Teachers 34th Annual PhysicsBowl competition, TAG's Physics Team placed third in the nation among first-year physics students attending specialized Science, Mathematics, and Technology high schools. More than 7,200 students from 320 schools in Australia, Canada, Costa Rica, the Republic of Korea, the Netherlands, New Zealand, the Philippines, Singapore, Switzerland, Turkey, the United Kingdom, The United States, as well as 318 schools in China, competed in this year's Physics Bowl.

Congratulations to the following TAG team members on their outstanding performance!
