Community Service Hours Sheet

As part of your graduation requirements, a total of twenty-five community service hours are due *each* school year: fifteen in-school hours and ten out-of-school hours. Please note that it is your responsibility to get adequate contact information from the event supervisor (someone who can verify your attendance and is not a TAG student). You may complete more than 25 hours in a single year (use the “Overflow Hours” section); this is strongly encouraged as senior year demands a lot of attention toward the college application process. In addition, it will be beneficial for you to be able to include your volunteer participation during college interviews, especially if you have demonstrated consistency with an organization.

To document your hours and supervisor verification, simply turn in this log to Ms. Lonon in Room 303 by May 10, 2020. If you aim to receive a Presidential Volunteer Service Award (PVSA), wait for more information from the TAG PTSA. You will receive an email through the TAG newsletter regarding forms to fill out and deadlines for the PVSA. Review the information below to see the PSVA award levels:
