Notes:

- Required classes are in **bold print**.
- Students must take English, math, social studies and science during each school year at TAG.
- Students must complete three years of the same world language; middle school courses offered for high school credit count toward this requirement.
- TAG does not offer early graduation.
- Courses offered by TAG cannot be taken for credit in the summer without written permission from TAG.
- Credit by Exam is only an option for foreign language classes and requires written permission from TAG.
