TAG Science for students with Pre-AP biology credit

Freshman	Sophomore	Junior	Senior	Electives
<b>Pre-AP Chemistry</b> (can take AP Biology also)	<b>AP Biology or AP Chemistry</b>	<b>AP Physics 1</b> or AP Physics 1 & 2	<b>Choice of any AP science,</b> including AP Environmental Science, AP Physics C: Mechanics and E&M	AP Biology, AP Chemistry, DC Solid State Electronics (11-12)

TAG Computer Science

Freshman	Sophomore	Junior	Senior
<b>Pre-AP Computer Science</b>	AP Computer Science	DC Computer Science (data structures)	Independent Study in Computer Science

TAG math tracks: We do NOT encourage students to finish AP Calculus BC before senior year, as that leaves a gap in math before college. We do not offer a math course beyond Calculus BC.

Math for students with middle school Algebra 1 credit

Freshman	Sophomore	Junior (2 classes)	Senior
<b>Pre-AP Geometry</b>	<b>Pre-AP Algebra 2</b>	<b>Pre-AP Precalculus and AP Statistics</b>	<b>AP Calculus AB</b>

Math for students with middle school Algebra 1 credit who test into Fast track as sophomores

Freshman	Sophomore (2 classes)	Junior (2 classes)	Senior
<b>Pre-AP Geometry</b>	<b>Pre-AP Algebra 2 and Pre-AP Precalculus</b>	<b>AP Calculus AB and AP Statistics</b>	<b>AP Calculus BC</b>

Math for students with middle school Algebra 1 and Geometry credit

Freshman	Sophomore	Junior (2 classes)	Senior
<b>Pre-AP Algebra 2</b>	<b>Pre-AP Precalculus</b>	<b>AP Calculus AB and AP Statistics</b>	<b>AP Calculus BC</b>

Math for students without middle school Algebra 1 credit

Freshman	Sophomore (2 classes)	Junior (2 classes)	Senior
<b>Algebra 1</b>	<b>Pre-AP Geometry and Pre-AP Algebra 2</b>	<b>Pre-AP Precalculus and AP Statistics</b>	<b>AP Calculus AB</b>

Notes:

- Required courses are in **bold print**. Students are required to take at least one math, English, social studies, and science class each year. A student may not take a class early if that leaves him or her without a class in that subject for senior year.
- Courses offered may change, but most changes occur in the elective courses.
- **No core courses should be taken in the summer without permission from TAG**

Courses offered through Townview

- PE and JROTC
- French (4-5 years available) and Spanish (6 years available)
- Theater, art, orchestra
- Marching band, jazz band, symphonic band
- Choir, Pre-AP music theory, AP music theory, modern band (guitar)
- Other electives are periodically offered by other Townview schools, including comparative government, mental health and counseling, and digital media.
